Status of land holdings

1646. SHRI MD. SALIM: Will the Minister of RURAL AREAS AND EMPLOYMENT be pleased to state:

(a) the definition of large, medium, small and marginal land holdings in the country;

(b) their number with land holdings in the country, State-wise; and

(c) the ration/percentage of subsidies enjoyed by the large land holders through their produces out of total subsidies given in agricultural inputs including fertilizer?

THE MINISTER OF RURL AREAS AND EMPLOYMENT (SHRI K. YERRANNAIDU): (a) As per Agricultural Census, different categories of operational holdings, namely, marginal, small semi-medium, medium and large, according to size of holdings (area operated), have been defined as under:—

Group of holdings	Size of holdings (hectares)
1. Marginal	below 1
2. Small	1 to 2
3. Semi-medium	2 to 4
4. Medium	4 to 10
5. Large	10 and above

(b) According to Agricultural Census, 1990-91, State-wise number and area of operational holdings are given in Statement-I and II *(See below)*

(c) Major agricultural input subsidies given to farmers are fertilizers, irrigation, power and credit subsidy. Direct subsidy on urea is given by the Central Government to manfuactures of fertilizers to enable them to make available fertilizers at reduced rates to the farmers. Subsidy on other fertilizers is routed through fertilizer suppliers. Subsidy on irrigation and power is given indirectly by the State Government charging lower rates than actual cost. All these subsidies/ concessions are availanle to all the categories of farmers including small and marginal farmers.

Statement-I

State-wise number of operational holdings for all social groups in India by Major size classes, 1990-91

(Number in thousand)

S.No. State	Marginal (below 1 ha.)	Small (1 to 2 ha.)	Semi-medium (2 to 4 ha.)	Medium (4 to 10 ha.)	Large (10 ha. & above	Total
